EXPERIENCE

Eximap Nisarg Pvt. Ltd [UI/UX Design- ReactJS- Tailwind- APIs]

Jan - Mar 2024

Frontend Design and Development Intern

- Gathered requirements and designed an intuitive admin portal for Company's products, making sure it met both client requirements and technical constraints.
- Improved product Design, optimizing the interface to achieve a **15% reduction** in page load time.
- Designed and developed the admin portal website, and a user-friendly Privacy Policy page using ReactJS and Tailwind CSS, highlighting data usage, security measures, and integrating efficient API functionalities, including account and data deletion features.

PROJECTS

MarkMe -An attendance tracking web application | Link

- Developed MarkMe, a web application that revolutionizes attendance tracking by leveraging **real-time location tracking** and OTP verification. This ensures accurate and secure attendance records.
- Implemented a robust security system using **OTP authentication** and **geolocation** services, validating user identity and presence within designated zones, reducing attendance fraud by over 90%..
- Tech Stack : HTML,CSS, JavaScript, Nodejs, ExpressJs, MongoDB, Geolocation API, Axios.

Talk Verse - Real-Time web chat application | Link

- Designed and developed a responsive chat application using React and Tailwind CSS, leveraging secure user authentication and **real-time communication** with Firebase services.
- Integrated Firebase Storage and Firestore for efficient data management, leveraging **React hooks and the context API** for a scalable, maintainable frontend architecture
- Tech Stack : ReactJS, Tailwind CSS, Firebase Authentication, Firestore database, Firebase Storage.

CERTIFICATION / EXTRACURRICULAR

- Scaler Certified in MySQL and Database Design, showcasing proficiency in crafting optimized queries and designing efficient, normalized database schemas.
- Earned HackerRank Frontend Developer (React) certification by completing a 1-hour assessment, demonstrating proficiency in React, CSS, and JavaScript.
- Led the creation of impactful promotional materials as Design Head for ACES, managing creative initiatives and enhancing team collaboration and leadership skills.
- 200+ DSA problems on Leetcode and Geeks For Geeks
